Welcome to Altrusa!

As District Two Governor, I am honored to welcome you into the Altrusa family.

You may have heard this before you do not join Altrusa, but you become an Altrusan. Our organization makes a tremendous difference in our communities, and lives changed due to our community service. Collectively, we do make a difference. As you begin your Altrusa journey, please rely on your sponsors to help you navigate the process. They will be a tremendous resource for you. Your dedication, involvement, and appreciation for Altrusa will grow as you actively participate in your club's service projects. Together we are "leading to a better community."

Your membership recognizes you as a leader, and it is a goal to provide members with opportunities to further their leadership skills through Club, District, and Altrusa International activities. Please attend your District Conference held each spring and International Convention whenever possible. Your Conference and Convention attendance will allow you to learn more about this fantastic organization and meet like-minded Altrusans. You will make new and lasting friendships. There is a saying, "You get out of Altrusa what you're willing to put in." I concur!

Your rewards for active involvement are endless! By now, you are receiving all the publications from our International Office. Some publications include the International Altrusan; The Compass; your District Service Bulletin (DSB); and an occasional E-Blast from the International Office. There is a wealth of information on the Altrusa website <https://www.altrusa.org>. Please be a regular visitor to our site.

With Altrusa, you have the power to make things happen! Altrusa provides a uniquely supportive setting to share your talents in a way that benefits your community through service and leadership. It provides opportunities for personal development, leadership training, cultural awareness, and citizenship development while actively fostering the concept of service.

Welcome to Altrusa. Have a meaningful Altrusa experience on this remarkable journey.
